# PRAYER Ottoman

Lesson:

## Part 1:

Quote:

“We got an old stool there that Brother Palmer covered for us, here not long ago, and we always get around that stool and pray, whenever we’re...Oh, OTTOMAN, like, you know, footstool. Whenever we get around there and PRAY, when I’m going on a meeting, we ask God to help us.”  
63-1229e - “Look Away To Jesus’

Scripture:

<sup>6</sup>Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God.  
Philippians 4:6

## Part 2:

Quote:

“You remember that little song? Let’s see,  
What was that other one we sang? Let’s see.  
Oh, won’t you watch with me one hour,  
While I go yonder, while I go yonder?  
Oh, won’t you watch with me one hour,  
While I go yonder and PRAY?  
I’m overcoming, I’m overcoming,  
I’m overcoming, I’m overcoming;  
For I love Jesus, He’s my Saviour,  
And He smiles and He loves me too.”

63-0724 - “God Doesn’t Call Man To Judgment Without First Warning Him”

Scripture:

<sup>40</sup> And he cometh unto the disciples, and findeth them asleep, and saith unto Peter, What, could ye not watch with me one hour?

<sup>41</sup> Watch and pray, that ye enter not into temptation: the spirit indeed is willing, but the flesh is weak.

St Matthew 26:40-41

## Part 3:

### Quote:

“And that morning, early, I got up, Billy and Loyce there was waiting for me. And I knelt down, and pulled this little old stool along, LITTLE OTTOMAN. Knelt down, looked up, and I said, “Oh, how I miss them!” I said, “Heavenly Father, I’m on my road now to Shreveport. I pray You’ll help me down there. And bless me, give me souls, Lord, for Your Kingdom. Use me in any way You wish. I’m in Your hands.” I said, “Way across the deserts, is my faithful little wife, waiting this morning. She is going up there, for get ready for that operation.” I said, “Lord, I told her, last night, ‘Ask the doctor to put it off till after Christmas.’ Did I do wrong? Would that turn malignant? If I did that, and asked her to beg that doctor, ‘turn off,’ and, between that time, it would go malignant and I’d lose her, I would never forgive myself for that.”

I said, “Lord, I’ve talked to You now for these two years, yes, sixteen years, but,” I said, “the last two years since that happened.” I said, “Father, she has never failed to be a real wife to me. When I get ready to go on the services, never one time did she ever complain, not one time. Always gets my clothes cleaned, and my shirts laundered, and everything, and have them all ready for me. And then when I come home, I’m so tired, I can’t...And it’s, usually, a woman would want her husband to be with her. And I come in, people crowding in, what do I do? Get off on a hunting trip or a fishing trip. Did she ever complain? Not one time. Go get my clothes ready, and let me go on, ‘That’s all right.’ The poor little fellow, forty-four years old, snow-white-headed, standing between me and the public.” I said, “God, she didn’t mean that, that morning. She really didn’t mean it, Father. Her actions show she didn’t mean it. She was just nervous.”

So help me, for the fifth time that it’s been done! Since the squirrels; and then down in Kentucky; then the Wright children down there; then that storm on the mountain, which I haven’t time to tell you tonight; and this time, just as certain! There come that Light, hanging down there, and It said, ‘Stand up on your feet.’ And I stood up. He said, “Whatever you say, that’s the way it’ll be.”

I said, ‘The hand of God will dissolve the tumor before the doctor’s hand can touch it.’”

64-0120 - “His Unfailing Words Of Promise”

### Scripture:

<sup>23</sup> For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.

<sup>24</sup> Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.

Mark 11:23-24

## Sewing Instructions:

1. Cut out four of the pattern pieces. Join the pieces together with tape. You will have four wedges.
2. Using the pattern, cut out eight wedges of each of the five fabrics. You will have a total of 40 cut wedges.
3. Line up your five wedges in the order you choose. Take one fabric wedge from each of the five fabrics you cut, stack and set aside. You should have stacks of five.
4. With right sides together pin #1 and #2. Sew 1/2" seam allowance, back tacking at the top and bottom. PRESS the seams from the opposite sides to be pinned.
5. Continue pinning and sewing adding #3, #4, and #5. You should have all five wedges sewn together. Sew the next groups of five remembering to PRESS each seam as you go. PRESS all seams in the same direction. (You should have a total of eight sets).
6. With right sides pinned together using 1/2" seam allowance, sew the eight sections together in groups of two (creating four sections). Sew from the bottom to the top. Back tack at the bottom and top.
7. With right sides together sew 1/2" seams, sew the four sections together sewing from bottom to the top, back tacking at the bottom and top.
8. Using the longest stitch, baste 1/2" seam allowance around the bottom of your fabric, leaving long threads. Baste around again 1/4" seam allowance, leaving long threads (this will be gathered later).
9. Cut an 18" circle for the bottom of Ottoman. You can use a pattern or place the 18" wood to trace around.
10. Sew 1/2" basting stitch around the bottom edge of the 18" circle.
11. Press the raw edge to meet the basting stitch.
12. Peel off any vinyl that's not part of your quote.
13. Weed out your design using a straight pin.
14. Place the heat transfer vinyl, sticky side down, on the right side of the 18" circle fabric.
15. Place a cover sheet scrap fabric down on top of the heat transfer. (we prefer a Teflon release sheet)

## 18" Wood Base (use 18" round template in kit):

1. Drill two holes 3/4" apart at the center of your wood base.
2. Mark a pencil line between the two holes creating four equal sections on the underneath side of the base.
3. Drill four 3/8" holes one at each section 1 3/4" from outer edge of the base.
4. Use hammer to insert tee nuts on top side of wood base.

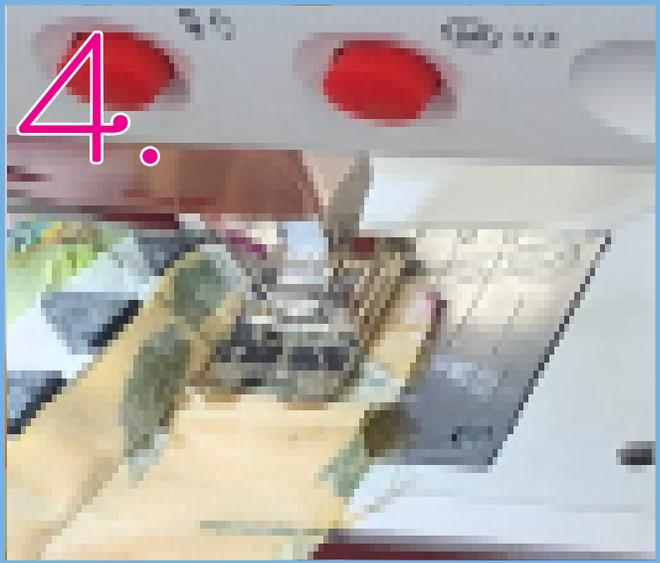

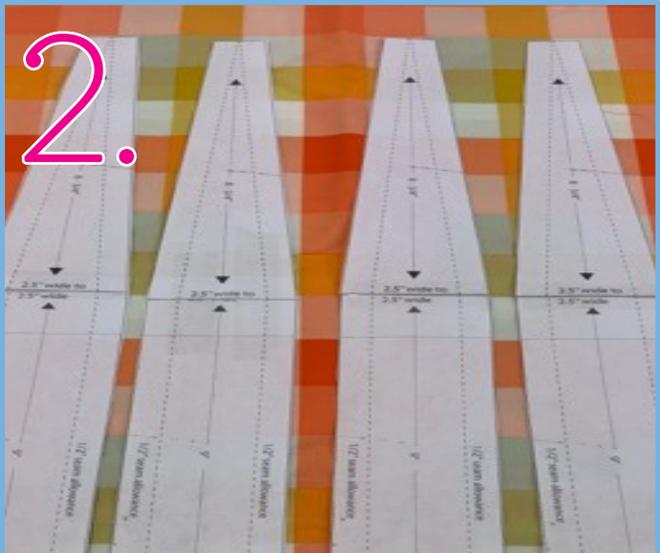

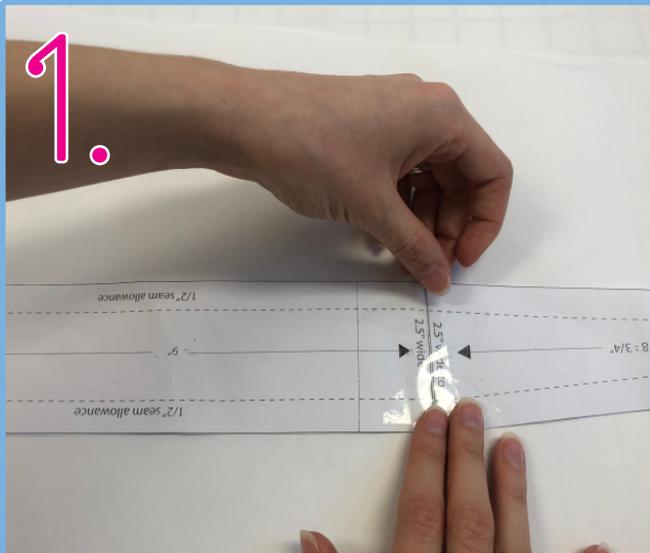

## Press Play Button:

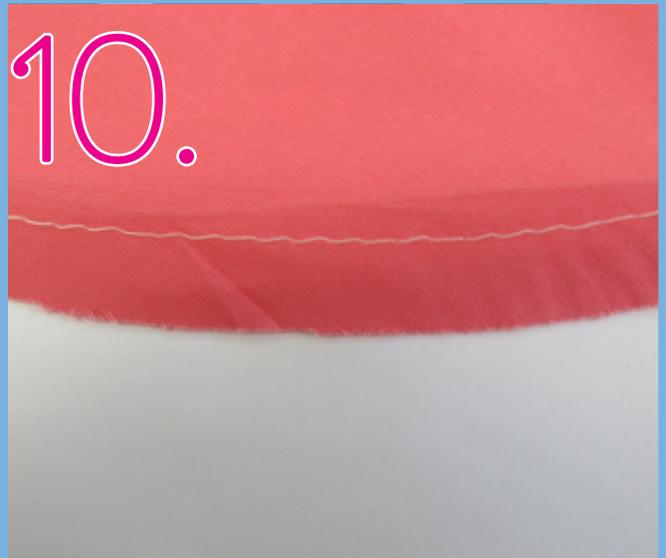

1. Cut out 7” triangle from your fabric.
2. Use a 12” upholstery needle to thread the cording through the two holes in the middle of the Press Play wooden button.
3. Place the prayer cloth under the cording.
4. Place the foam on the top of the Press Play button.
5. Place the foam and the wood Press Play button on the wrong side of the fabric. Glue and staple around the underside edges.

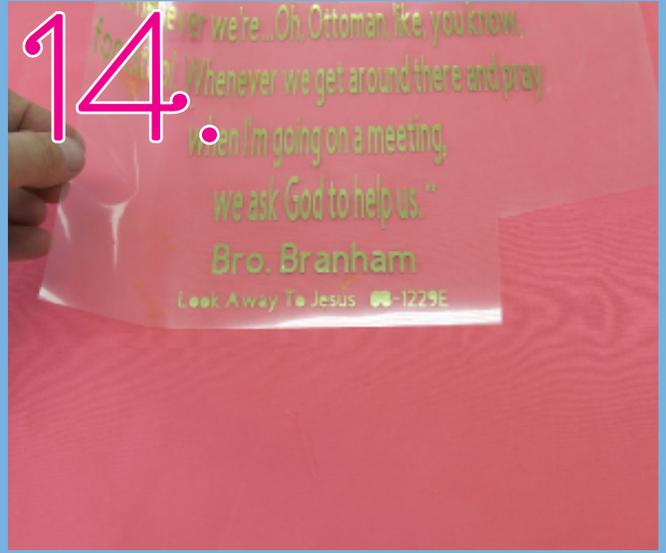

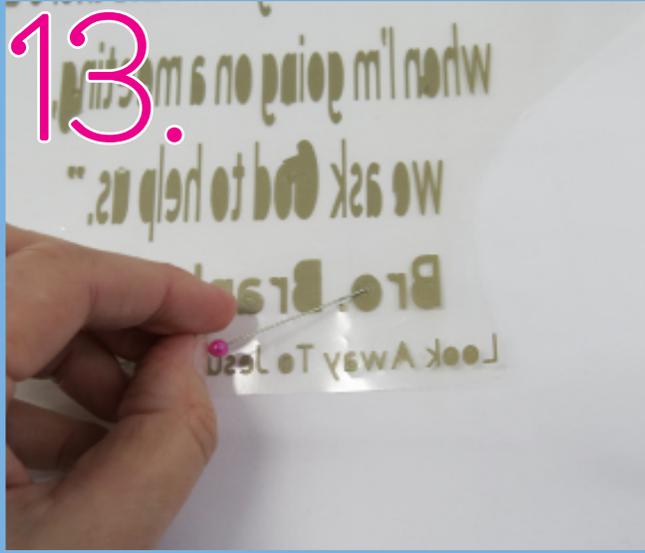

## Ottoman Assembly:

1. Add glue to the top side of the wood (top side has the tee nuts showing). Place the foam on the glue.
2. Add batting to the foam and circle base. Center batting on the foam and circle base. Pull the batting around the back and secure by stapling to the underside of the circle base approximately 1” from the outer edge.
3. Trim off excess batting from the base after stapling.
4. Place your fabric over the foam and circle base and gently pull the bobbin threads to gather around the cushion. Even out the fullness of fabric around the cushion.
5. Use the 12” upholstery needle. Take the eye of the needle and push it through the pilot hole from the underside circle. Carefully push to the top and thread the needle with the cord that is attached to your press play button. Push the needle down to the underside of wood circle. Repeat steps for the other side.
6. Pull the cords down and tie in a tight knot.
7. Place the wrong side of fabric circle to the underside of the ottoman and staple around the edge.
