CLASS NAME: *Witnessing card* WALLET

Scripture:

But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth.

Acts 1:8

Quote:

"And just to show you how simple it is, to you housewives, now. See? You say, "Oh, Brother Branham, if I could preach!" You don't have to. You just... You're a testimony. You're an influence; your life.

And she got some tracts, and went out on the corner, advertising the meeting, and passing them out. Every time somebody get a hold of it, they'd throw it down. "Holy-roller! Fanatic!" And walk on. See?

A little old boy come by, with ragged trousers. His daddy's suspenders up over his shoulders; hair hanging down in his face. Said, "Lady, what are you giving away?"

Said, "A tract, son." She handed it to him, like that. He looked at it, said, "I can't read."

Said, "Well, it says there'll be a meeting tonight, up here." "Oh," said, "it will? You mind if I come?" Said, "You want? You must come, honey, if you can." "All right, I'll do that."

That night, after all of her efforts, and weak. The old faithful minister come, got into the pulpit and prayed. Sung a song, him and the lady, and she sit out as his audience.

After a while, staggering in the door, was that little ragged-looking kid, the hair hanging down in his face. You know who that was? Dwight Moody. That night, he knelt at the altar; sent a million souls to God. See? You don't know what you're doing.

Speak a little word for Jesus

Testify, sing, or pray,

And like bread upon the water

It'll return to you someday.

That's right. All right. Just remember, don't fail, don't fail; win some souls! Whatever you do, win souls."

Lesson:

Witnessing to someone can be a very hard thing to do. It can be intimidating to know what to say or even how to approach them. But it's a comfort to know that the footsteps of the righteous are ordered of the Lord! God is with us each time we witness. We take no thought to what we would say but just let Him use us as His mouth-piece.

Many times we don't have to go out looking for someone to witness to; they come to us. There is a difference between a Christian and a person in the world, and people see that by the way you act, dress, and talk. Many people will see that Christian life reflecting through you. We witness daily to the world without even approaching anyone!

We also have many tools to help us witness to someone. We can point them to the themessage.com, hand them a tape, or give them a witnessing card from our wallets we are making today!

Witnessing Card WALLET TUTORIAL

**The seam allowance throughout the project will be 1/4", along the presser foot edge, unless instructed otherwise.

1.

Cut the pieces:
outer cover: 3" x 5"
inside lining:
pocket flaps:
fusible interfacing:
closure flap (if using):
elastic string (if using):

2.

Fold and
iron one long
edge of each
pocket flap
under 1/4".

3.

Repeat again by folding
over the same edge at 1/4".

4.

Top stitch the folds.

6.

Iron the
fusible
interfacing to
the wrong side
of the outer
cover.

5.

Pin the wrong sides
both flaps to the
right side of the
inside lining. Match
the raw edges.

The next steps 1-9 are for the option of doing the closure flap. Skip this section if you are doing the elastic string.

1.

Iron the closure flap piece in half long-ways, right sides together.

2.

Sew the raw edge long edge and one shorter edge closed.

3.

Turn the closure flap right side out and iron.

4.

Top stitch the sewn edges.

5.

Measure and mark the width of the button on the sewn end of the flap.

6.

Use the settings on your machine to sew a button hole to the width of your button.

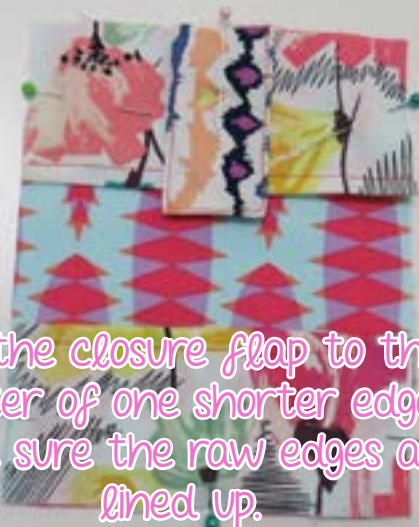

7.

Cut the fabric in the center of the buttonhole, being careful not to cut the stitching.

8.

Pin the closure flap to the center of one shorter edge. Make sure the raw edges are lined up.

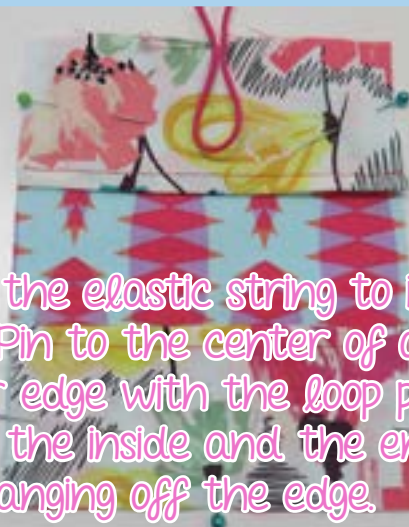

9.

Pin the outer cover over the whole thing, right sides together.

1.

Fold the elastic string to in half. Pin to the center of one shorter edge with the loop part facing the inside and the ends hanging off the edge.

The next steps 1-2 are for the option of doing the elastic string. Skip to #7 if you did the closure flap option.

2. Pin the outer cover over the whole thing, right sides together.

7. Sew around the edges, leaving a small opening in the center of one longer side.

8. Trim the corners. Be careful not to cut into the seam.

9. Flip right side out through the opening.

10. Poke out the corners.

11. Iron the wallet. Make sure to iron the opening flat too.

12.

Top stitch around the whole wallet, pivoting and turning at the corners.

13.

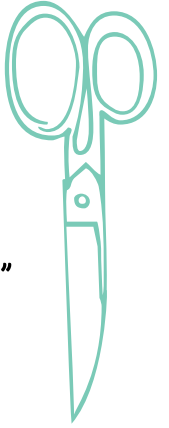

Hand-stitch the button to the front of the wallet.

Good job!
