"Recognizing Your Day And Its Message"
64-0726M

The world has recognized. The nations has recognized. Science has recognized. The devil has recognized it's the time that he can wreck women, wreck the church, wreck the people. He's recognized it. And God has recognized that there is a people on earth that He predestinated to Life. He recognized this is the time to send His Message. He's did it. The people has recognized It, the Bride time has realized the evening Light.
