Notice, notice, he spoke as if he was God Himself. Elijah spoke as if he was God Himself, “The dew will not fall from heaven until I call for it.” Amen! Yes, sir. The prophet had been so long in the Presence of God! The prophets of the Old Testament, or any time, when they live in the Presence of God until they become the Word, their Message is the Word Itself.

And, remember, he said, “THUS SAITH THE LORD.” And when those men had those messages from God, and they become so wrapped up that their own thinking...It might have been against their thinking, they might not have been able to—to see it right. But they was speaking the Word of God, “THUS SAITH THE LORD.”
