*Somebody said I'll have to recall my tapes, because I had preached of being baptized in the Name of Jesus Christ. I ain't recalling them. I'm making more! That's right, that, making more! That is the Bible. If they don't like what we did yesterday, just watch what we're going to do tomorrow! That's the thing to do, see, just keep on going. There's no end to it, because it is of the Lord. It's God.*
