"There Is A Man Here That Can Turn On The Light"
63-1229M

Remember when Israel was in their journey, eating new manna every day, they walked in the Light of a Pillar of Fire. That Pillar of Fire was Jesus Christ. The Bible says It was. And today He is with us; we have It. We know He is with us, the same Pillar of Fire, doing the same things that He did when He was here on earth, to fulfill His Word.
