

Scriptures to read in preparation for hearing the sermon

*“Hear Ye Him”*

60-0313

But here's what would take place, He would be the Vine and the Church would be the branches. How many knows that? How many knows that the—it ain't the vine that bears fruit; it's the branch. The fruit comes out on the branch. Then if ye are the branches, that is the Church, the members of the Church, the body. All right? Then if the branch—the—is in the vine, the branch will bear fruit of the vine. Is that right? Then that's the Life of Christ in the Church bearing the same fruits that He did.
