“Perfect Strength By Perfect Weakness”
61-1119

There's one thing that we've got to master if we expect to fulfill God's desire in our life, that is, we have to master the thought of human ability. If we ever get to a spot where we think that we can do it with our own intelligence and our own abilities, we've got to master that in such a way that we can get rid of the thing and lay it aside so that God can use us. That's right. And make a complete surrender! We cannot use one ability. We've got to make a complete surrender! And, to come to God, you've got to surrender to Him both soul, body, and spirit. Everything that you are has to be surrendered to God, in order that He can work His will in you and in me.”
