"Christ Is Revealed In His Own Word"
65-0822M

I'm trying my best to stay right with the Word, for these that's been put in my hands for God, 'cause sheep want sheep food, of course. "My sheep hear My Voice." And that's what we live by, every Word that proceedeth...Not all...Not just a Word now and then; but every Word that proceeds out of the mouth of God, that's what the saints should live by.
