

Happy Easter

But this time, when the sun rose, there was a—a dual sunrising; another, Son, rising. It was the... not only s-u-n rising, it was the S-o-n had risen to bring Eternal Life to all God's promised Seed...

65-0418M - It Is The Rising Of The Sun

Easter

Now, that it is the greatest week in history,
the greatest celebration of all times, this
Easter is where He proved what He had said.

But, oh, it wasn't nothing, that sunrise,
like the sunrise on that Easter morning.

This time, with the sun leaping into the
skies, it brought forth a greater sunrise than
ever; because it came greater news with this
sunrise, than it did with the sunrise at the
beginning.

This sunrise brought a news, that,

"He is risen!

He is quickened from the dead, as He's
promised.

He's risen from the dead."

May God richly bless you

For this blessed 2015 Easter!
