STORING FOOD

Wood Pieces

Tips:

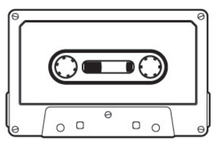

- Use Super Glue to build table together.
- Red lines on the tabletop piece are for engraving.
- When building table, attach the short side table legs pieces to the underside of the table, matching up to the edges of the table. The long side table pieces will fit in between the legs.

Final Project Dimensions:

- Sign: 2 1/2” x 2”
- Tablet: 1” x 3/4”
- Tapes: 7/8” x 1/2”
- Table: 4” x 8 7/8” x 2”
