INACTIVE INGREDIENTS: citric acid, edetate disodium, glycerin, propylene glycol, sodium bisulfite, sodium citrate, purified water.

S.T.37

FIRST AID ANTISEPTIC/ORAL PAIN RELIEVER

SOLUTION

FOR BURNS, CUTS, ABRASIONS, & HYGIENIC CARE OF THE MOUTH.

2 FL OZ (mL)

And Brother and Sister Evans, and—and Brother and Sister...I—I get it...I call it S. T. I know that it's T. S. I...There's a—a gargle, mouthwash that they call ST37, and that's how I call you S. T. Not from...And it's a—it's a good thing too. It's a dandy. It's got all the rest of them beat, to my opinion. And they use it in the army, and I—I use it for about anything. To gargle with, and for a mouthwash, and take it on a hunting trip with me. Where if my horse gets hurt, I pour a little that, you know. Just—just anything. It's—it's good for all around.
