- The time came when the Lord began revealing them to Brother Branham, and one of the revelations was that he should go to Arizona.
- He didn't wait around and question God about why or what he should do when he got there. He just went in strict obedience to the Lord.

Brother Branham's experience the day the Cloud appeared.

- On February 28, 1963, Brother Branham and some brothers were hunting for ... does anyone know... That's right Javelina!
