When is the **RAINY** Season in Arizona?

FILL IN THE BLANKS:

"Now science took the picture of It, you seen It, went on Associated Press. They didn't know what It was. There is a Cloud hanging, _____ miles high. That's fifteen miles, or twenty, above even where vapor is at. They don't know what it's all going about, and they are trying to investigate It. And there, right under It, I was standing. And those _____ Angels roaring out their voices, of those _____ Seals, standing there. And the witness, three of us, as a witness of the things that was prophesied on the tape, *Sirs, What Time Is It?* And there now they're trying to find out.

It's a mystery to them."
