- Paste the BT letter inside the folded cardstock.
- Paste the back of this folded piece to the top of the page.
- Paste the Red Letter Weeks piece on the 3 ¾" fold, matching up the bottom edge of the photo with the bottom edge of the paper. The word "weeks" will be hanging off the bottom of the top fold.

- Use the 3 hole punch to hole-punch a piece of gold cardstock. Place in your binder. (This will be the last page of your binder, so any pages you add will go in front of it.)
- Paste the Golden Nuggets title piece to the top center of the page. Color in the word "Golden" with gold paint marker or pen.
- Use this page to write in your favorite golden nugget quotes throughout the studies. You can journal the nugget quotes on small pieces of paper and paste them all over the page or cut a white piece of paper to fit inside the page to write on. Be creative!
