# CLASS NAME: CONTROL TOWER

## LESSON:

- A control tower sends out signals or waves of communication. It tells something the information it needs to know or what to do.
- At an airport, there are dozens of planes flying in the sky and driving around on the ground. The air traffic control tower sends out signals to the individual planes telling them what to do. The tower tells the planes things like where to land or when to take off.
- That is the same with us as people. In our hearts we have a control tower, and that control tower is either God or Satan.
- If God is our control tower, then we will thirst to do the things that are right and good in His sight.  
Examples: loving one another, being nice to our friends, listening to our parents, etc.
- But if Satan is our control tower, then we will thirst to do the things that are not right and not good.
- How do we keep God as our control tower?  
We water our hearts with The Word! We do this by listening to Tapes, praying, reading our Bibles, and having quiet time every day!

## Scripture:

**38** Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.

**39** For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call.

**Acts 2:38-39**

## Quote:

“Now, it’s—it’s not an unnatural thing, to thirst. Thirst is a—a natural thing. It’s just simply something that God has given us, that we could, to give us a—a desire for something. Sometimes God has, also, has given you a—a control tower, something that sets inside of you, that—that controls these different desires. And this thirst, this control tower that sets in a man’s heart, is something that God give him to—to warn him of the desires that’s needful for him.

Now there is two different kinds of thirst. There is a thirst, physically. And there is a thirst, also, spiritually. I would like to read this, what David said, again. My soul thirsts for God, for the living God:...

Not some historical, or some something that happened some years ago, or—or some tale that someone told; but, “for the living God,” a God that’s ever present. And his soul thirsted for that God, not for some historical something.

Now we find, God gives the control tower to you, to give to you the things that you need. Now, the control tower in you is what directs you. And this thirst runs in on this co-...tower, control tower, and tells you what you have need of, spiritually speaking. The control tower in the body, and in the soul, also. There is a control tower in the body, that tells you the need that’s needed in your body, and it’s brought to you by thirst. Also, there is a control tower in your soul, that tells you the spiritual things that you have need of, something in your spirit, and, and you by this can tell what kind of a life is controlling you.

When you—when you can see what your desires are, then you can tell, by that, what kind of something that’s in you, that’s creating this desire that you have. See, there is a certain thing that you thirst for, and it—and it can tell you in your soul what this desire is, by the nature of the thirst that you have. I hope that you can understand that.

There is a—a control tower of the soul, and one for the body, and each tower is a warning caller for the needs of the other. Each one calls to the need for what the caller is calling for, it sends out a wave of warning.

For instance, the—the flesh thirst to satisfy the desires that’s in the body, and the spirit desires for the things that’s in the soul, desire is, and many times these war one against the other. We find there, what’s a great trouble today, that too many people try to live between those two desires. For, one of them desires the things of the earth, the other desires the things of Heaven.”

# CONTROL TOWER TUTORIAL

Prep-work done for Creation's class:

- pre-cut holes into the bowls
- pre-cut 2 strips of ribbon about 4" long per student

## MATERIALS NEEDED

**print and cut out**

**Who is  
controlling  
your TOWER?**

**1.** trace the paper towel roll centered on the bottom of the bowl and cut out

**2.** fit the paper towel roll into the hole

**3.** paint the project white

**4.** wrap the cylinder tube in aluminum foil, folding into the center

**5.** glue the question print-off centered on the wrapped cylinder

**6.** glue one piece of ribbon below the question, wrapping around the cylinder

**7.** glue another piece of ribbon above the question, wrapping around the cylinder

**8.** glue the pom-pom onto one end of the pipe cleaner

**9.** poke the other end of the pipe cleaner into the top center of the cylinder

**10.** duct tape the end of the pipe cleaner down from the inside

**11.** line the top of the paper towel roll with glue and place the cylinder over the roll

**You're finished!**
