From the lesson:

Did you know by serving and following God's prophet you're serving and following the Lord Jesus? Well, that's exactly what Elisha's YOUNG servant boy was doing! Even though he was YOUNG he wanted to do something extra special for the prophet! He wanted to make him his FAVORITE breakfast, pancakes (or flapjacks)! Mmmhmm! So he arose early one morning, started the coffee, and went outside to gather the wood for the fire...what happened next is truly amazing!
