Dear Dad:
Help me to be thy true servant
I Promise to teach this thy way
and to live it as thou will
help me to do.
I do believe every word in
thine bible, to be thy word,
help me to live and Prove
it so to my Generation
In Jesus Christ name
I Pray a man.
Bro. William Branham

Arizona,
His unworthy humble
servant

107 But if anybody ever looked at what I call notes! Like I want to preach about the Morning Star, I'll draw a star. And if I want to preach something about... I make it all in symbols here, scratches, nobody can ever know what it was. While I'm out, and I think of anything, I got to, on riding on the road, sometimes the car is jumping up-and-down, and I'll jot this down, and say this and that, and make little signs, and cross and bridges, and—and all kinds of things. Like I want to preach on the descending of the Star; and I'll put the pyramid, draw it out here and put the five-point star of David coming down on it. And I know where I'm going in the Scriptures like that; and Moses, a certain thing he done. Just make little turkey tracks, like.
