

God's Voice To You Today

Tune of Alive, Alive, Alive Forevermore

God's Voice, God's Voice, God's Voice to you today.

We listen and obey.

It's God's Provided Way.

God's Voice, God's Voice, God's Voice to you today.

We just keep pressing play.

When he was seven, God spoke through the whirlwind.

Never smoke, drink, or defile your body in any way.

For there's a work to do when you get older.

He listened to the Voice.

God's Voice, God's Voice, God's Voice to you today.

We listen and obey.

It's God's Provided Way.

God's Voice, God's Voice, God's Voice to you today.

We just keep pressing play.

When he was seven, God spoke through the whirlwind.

Never smoke, drink, or defile your body in any way.

For there's a work to do when you get older.

He listened to the Voice.

God's Voice, God's Voice, God's Voice to you today.

We listen and obey.

It's God's Provided Way.

God's Voice, God's Voice, God's Voice to you today.

We just keep pressing play.

We just keep pressing play.
