

Build

Voice of God Recordings

Materials needed:

3 pieces of cardstock paper

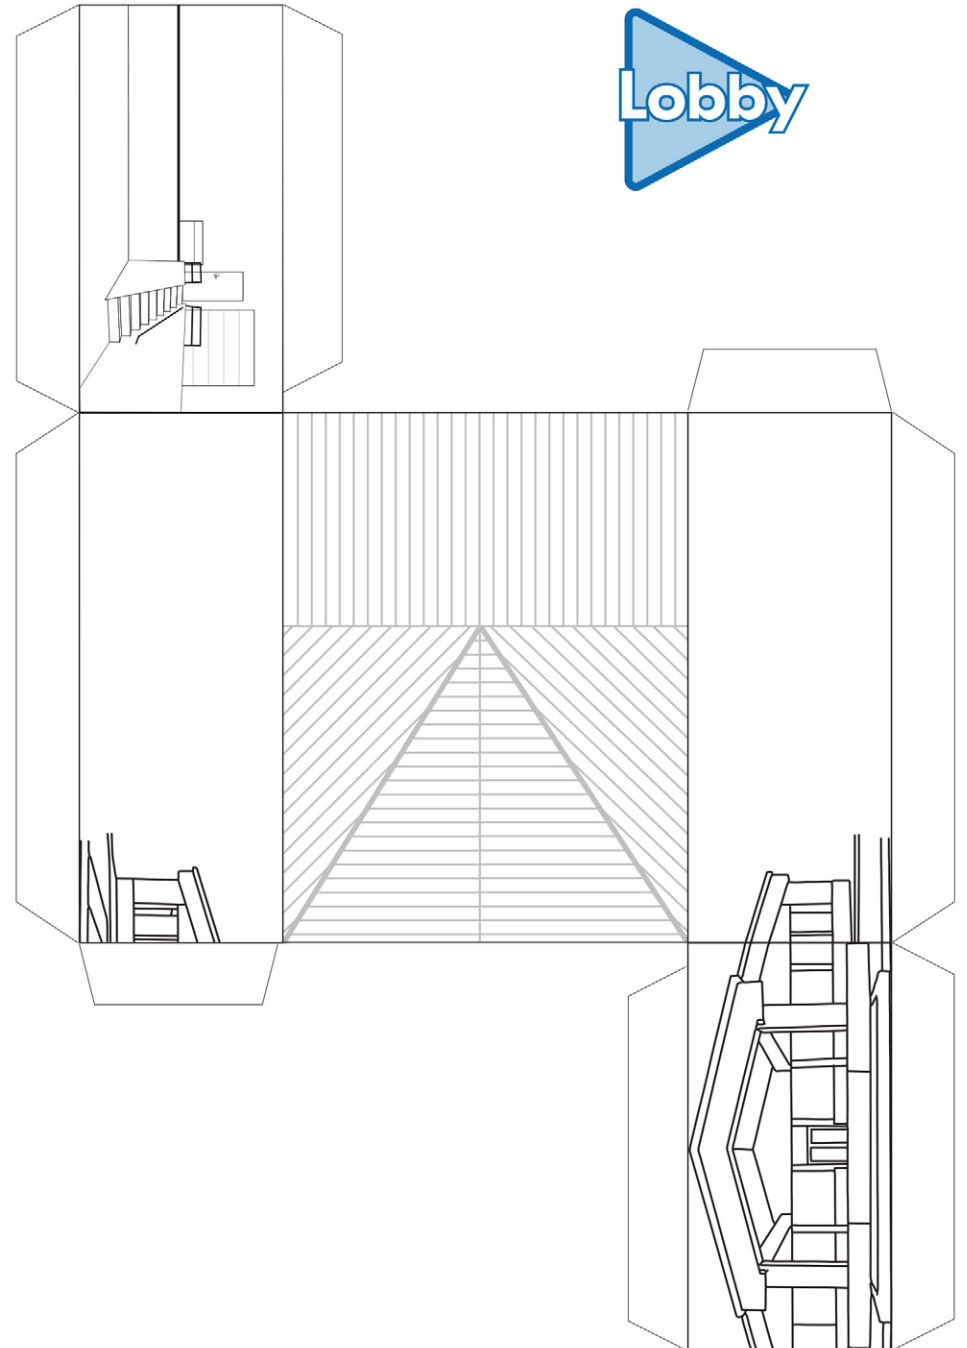

Glue

Scissors

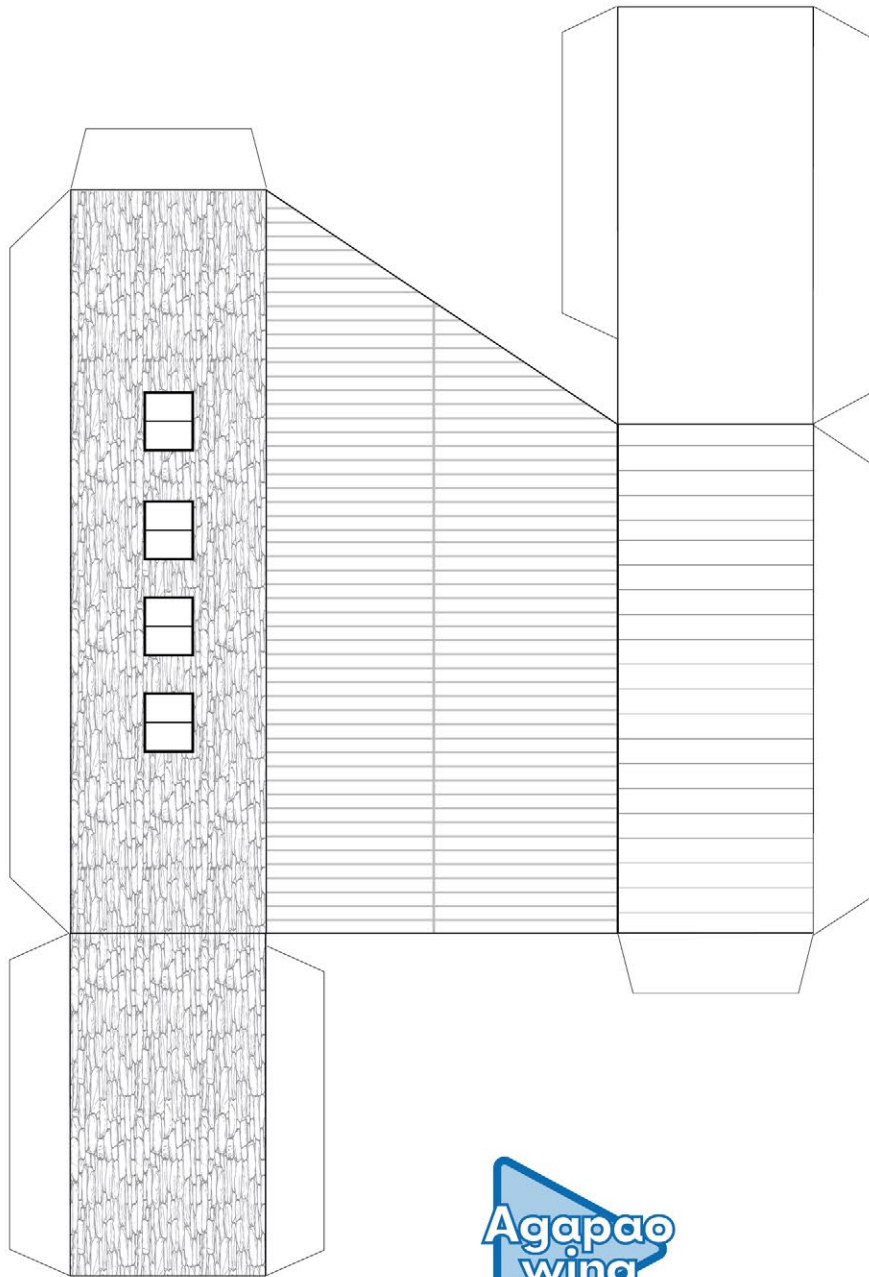

Crayons or Colored Pencils

Instructions:

- Print out your three VGR pieces.
- Color the walls and the roof of the building.
- Cut out the three VGR pieces.
- Fold along the black lines and tabs to form each 3D structure and secure the tabs with glue.
- Aligning towards the back of VGR lobby piece, glue the Missionary wing to the left side and the Agapao wing to the right side of your lobby piece.
- To finish, glue the bottom tabs of your VGR building to a paper for the base.
