CLASS NAME: **Prayer Cloth**
pillow case
lesson:

- Daniel was a young Hero.
- Could you imagine being taken away from your home and your family to a distant land?
- He was taken to a strange land where they prayed to strange gods.
- The king didn't want just any children, he wanted the king's seed. Just like you are the royal seed of Abraham.
- God was with Daniel.
- Daniel was a special trained boy with great wisdom.
- Daniel had a special gift. Do you know what that was? He could interrupt dreams.
- Do you know who has that special gift in our day? Brother Branham
- Do you know what a dream correctly interrupted is called? A vision
- We have a modern day Daniel. It is Brother Branham. God always has a man for the day we live in.
- Daniel was loved by the king.
- Daniel was the most powerful man besides the king, just like Joseph in the Bible.
- The other men were jealous of Daniel, so they plotted against him. They caught him praying openly.
- Daniel got thrown in the lions den, but God delivered him out of it.
- Don't be afraid to pray.
- It was death for Daniel to pray, but he stood firm on God's word.
- If you feel shy or afraid that you don't have the right words to pray, you can pray with your little brothers or sisters. Pray with your friends. You can even pray out loud when you are alone.
- Your confession brings peace to your heart.
- The more you pray, the more confident you will be.
- Daniel purposed in his heart to pray and not worship their strange gods.
- Daniel was standing on God's word.

Daniel 6:11

quote.

“DANIEL. THERE HAD BEEN A PROCLAMATION WENT FORTH, AND SIGNED BY THE MEDES-O-PERSIANS, THAT COULD NOT BE CHANGED, THAT, “IF ANYBODY PRAYED TO ANY OTHER GOD, LET HIM BE THROWN INTO THE LIONS’ DEN.” AND DANIEL KNEW THAT GOD’S WORD WAS, TO PRAY TO HIM ONLY, SO HE JUST OPENED UP THE WINDOWS AND PRAYED ANYHOW. NOW, HE NEVER GOT BACK IN A CORNER. HE OPENED UP THE WINDOWS TOWARDS THE TEMPLE. HE WASN’T ASHAMED OF IT.”

Prayer Cloth *pillow case* TUTORIAL

**The seam allowance throughout the project will be 1/4", along the presser foot edge, unless told otherwise.

MATERIALS NEEDED:

- Top - 12 inch x 44-45 inch
- Trim - 3 inch x 44-45 inch
- Main fabric - 25 inch x 44-45 inch
- Pocket - 4 inch x 7 inch
- Cross - 2 inch x 2 inch
- Wonder-under
2 pieces, each 2 inch x 2 inch

STEPS FOR PILLOW CASE:

1. Iron the 3 inch piece in half, wrong sides together.
2. Lay the 12 inch piece out right side up. Lay the 3 inch piece on it, matching up the raw edges. Start pinning in the center and work your way to the edges. (Make sure the pieces are centered; we will trim the edges later.)
3. Then take the 25 inch piece and lay it right side down on top of the piece you just pinned and center it, matching the raw edges.
4. Starting in the center and working your way to the edges, pin it all together.
5. Roll up the 25 inch piece until it is about 1.5 inch from the edge you have just pinned.
6. Fold the 12 in piece over the top of all the layers.
7. Starting in the center and working your way out, pin all the layers together.
8. Use a ½ inch seam allowance and sew all the layers together. Don't sew over the pins! Make sure to take the pins out as you come to them.
9. Roll back the 12 inch piece and gently pull the 25 inch piece out of the middle.
10. Press the 12 inch piece and the 3 inch piece.
11. Turn it over and press the 12 inch piece and the 25 inch piece, tugging gently so they will lay flat.
12. Fold pillowcase in half, wrong sides together, and match up the seam. Trim off the salvage and even out the bottom.
13. With the wrong sides together and the seam matched, pin along the open side and the bottom.
14. Using a 3/8 inch seam allowance, sew across the open side and sew off, then turn the pillow case and sew across the bottom, you will sew over the seam you just made, this makes a nice corner.
15. Clip the corners of the raw edges.
16. Press the seams open.
17. Turn the pillowcase so the wrong sides are out and press the seams. You can use a pencil to help turn out the corners.
18. Use a ½ inch seam allowance to sew along the side and bottom, remember to sew off and start again when you get to the corner.
19. Turn the pillowcase right side out at press.

STEPS FOR THE POCKET:

CROSS:

1. Trim a square of Wonder-under to slightly smaller than the square of the cross fabric and attach to the wrong side of the fabric according to product directions.
2. Trace or draw a cross on the square and then cut the cross out.

POCKET:

1. Fold the pocket in half, right sides together, and press.
2. Fold the top down a ½ inch on both sides and press.
3. Sew up the sides, leave the top open.
4. Trim the corners; be careful that you don't cut the seams.
5. Turn the pocket right side out and press it, you can use a pencil or the tip of a pair of scissors to poke out the corners.
6. Press the pocket.
7. Pull the paper backing off of the cross and place the cross, Wonder-under side down, in the center of the pocket. Press.
8. Place a prayer cloth inside the pocket and center it behind the cross. You can use a pin to help hold it all together.
9. Using a zigzag stitch that is wide and close together, sew around the cross, making sure to catch the prayer cloth between both sides of the pocket.

ATTACHING POCKET TO THE PILLOW CASE:

1. Apply a piece of Wonder-under to the back of the pocket.
2. Take the paper backing off the pocket and decide where you want the pocket on the pillowcase.
3. Apply the Wonder-under side of the pocket to the pillowcase.
4. Use a zigzag stitch to sew around all sides of the pocket (make sure to only sew on one layer of the pillowcase, you don't want to sew it shut!)
