

The Patmos Vision – Study Binder Instructions

Supplies used:

The supplies below are suggestions. Feel free to be creative and decorate your binder however, and with whatever, you'd like.

- Printables – Cut out each piece.
- 2 Sheets of Black Cardstock
- 8 Sheets White Cardstock (for printing)
- 1 Sheet of Vellum paper.

VELLUM PRINTING NOTES:

- Take a piece of vellum paper and lightly tape it to a regular piece of printer paper. This helps the printer pull the vellum through the printer without jamming. If possible, place the vellum in the manual or rear paper tray. Print out the "Printables-Vellum" file onto this vellum paper. Carefully detach the vellum paper from the printer paper.
- 1 Sheet of Gold Cardstock
- Adhesive Dots
- Paint Markers – white & gold
- Scissors
- X-ACTO Knife
- Craft Brad
- Glue/Glue Stick
- Double-sided Tape

Setup your pages:

Feel free to arrange your pages however you would like, but if you would like to copy our arrangement refer to the steps below and to the pictures & video posted on the Creations website.

- 3-hole punch 2 pieces of black cardstock and add to your binder. Open them to create a 2-page spread (left and right pages).

Lesson 1:

- Take your “What is the first thing” and “Get in the Spirit” banners; align the black tabs and glue together, so it is a two-sided banner.
- With the “Get in the Spirit” side facing you, glue the black tabs to the top left corner of your left page, with the banner overhanging the paper.
- Attach Pillar Of Fire printable to the top right corner of the banner.
- Paste Scripture & notes printable at the bottom of the left page.
- Paste Patmos Vision title, Scripture Reference, “What did Bro Branham Say”, and Trumpet printable to the top of the left page.
- Fold The Lord’s Day, Sabbath, and The Voice tabs along the solid lines and paste to the bottom of the right page. Match the correct description tab to each one and paste inside.

Isle of Patmos Book:

- Assemble book according to page number, pasting the pages together so it is a double-sided page.
- Hole punch pages and attach to the bottom 2 rings in your binder.
- Paste printables onto the pages of your book and fill in the question boxes.
- Hole punch right side of vellum prison bars and place between pages 2-3.

Lampstand: (See video for details)

- **Before cutting out**, use paint markers to paint the stars gold and the light part of the moons white.
- Cut out the Lampstand as one piece. Cut out the brace pieces.
- Fold long brace piece at fold lines and glue to the bottom of Lampstand.
- Use adhesive dots to attach the square brace piece to the Lampstand.
- Attach base of Lampstand to the top of the right page. This will fold flat on your page to close, and when you open your binder, stand the Lampstand up to face you as shown in the video.

Lesson 2:

7-Fold Glory Circle

- Take your 7-Fold Glory Top and lay it over the 7-Fold Glory base piece.
- Poke a hole in the middle of the circle with X-ACTO knife and attach the 2 circles together with a craft brad.
- Paste circle to the middle of your right page.
