VOICE OF GOD RECORDINGS INC.

ESTABLISHED NOVEMBER 1981 BY
BRO. JOSEPH MARRION BRANHAM

The work at VGR began with just 5 employees and 3 rented rooms of the Quartermaster Depot, or "Quadrangle" building in Jeffersonville.

In the years to come, the company would fill the entire building, using every square inch to further the ever-growing work of sending the Message to the Bride around the world! Let's learn more about what happened at this building!

REEL-TO-REELS

Brother Joseph's first priority was the filtering of the original reel-to-reel tapes to make high quality masters. Sets of those filtered sermons were offered for purchase to believers as cassette tapes.

CDs came into production just before moving into the new building in 1999.
