Supplies used: The supplies below are suggestions. Feel free to be creative and decorate your binder however, and with whatever, you’d like.

- 3 sheets of black cardstock
- 1 piece of gold cardstock
- White cardstock or Printer Paper for printing
- 1 sheet of Vellum Paper
- Matte black Gaff tape
- Toothpick
- Double-sided tape
- Adhesive foam dots (to attach any stickers you’d like)
- 3-hole punch
- Scissors
- Glue
- Glue stick
- Craft brad
- ¼” wide Red Ribbon
- Journaling supplies: Pens, colored pencils, fine tip markers, chalk markers, crayons, or highlighters

Set up of your pages

Lesson 1:

- Use the 3-ring hole punch to punch holes in 1 piece of black cardstock. Place it in your binder behind your “Hebrews 13:8” page. You will be working on the back of your Hebrews

13:8 page (left) and the front of your new piece of black cardstock (right). These will be pages 1 and 2 in the Revelation Of Jesus Christ study.

- Sealed Boxcar
 - Working on the left page in your binder. Cut a piece of black cardstock in half lengthwise – 5 ½" x 11". On one of the cut pieces use the 3-hole punch on one side and add to your binder between the left and right pages of your Revelation of Jesus Christ study pages.
 - Cut a 22" length of black Gaff tape. Carefully cut this strip in half lengthwise. Match up the outside edge of the left page and the edge of the other half of your cut piece of cardstock in the center of the black Gaff tape. Fold the tape over and slowly press it along the other side of the seam. This adds a flap to the existing left page.
 - Close both half flaps over the left page. This will hide the left page completely.
 - Center and paste the left boxcar piece on the left flap and the right boxcar piece on the right flap. Make sure they are both lined up with the inside edge of each flap.
 - Place a piece of double-sided tape under the left side of the "R" seal. Center it between the two boxcar flaps and tape to the left boxcar flap.
 - Open the flaps to continue working on your left page!
- Paste the Tape title to the center top of the left page. Design option: place the title on a contrasting color cardstock to give a frame behind the title.
- Take a piece of vellum paper and lightly tape it to a regular piece of printer paper. This helps the printer pull the vellum through the printer without jamming. If possible, place the vellum in the manual or rear paper tray. Print out "The Unveiling" file on to this vellum paper.
- Carefully detach the vellum paper from the printer paper. Use the 3-ring hole punch to make holes on the left side of the page. Set this page off to the side for now.
- Cut out a 3 ¾" x 10 ¼" from gold cardstock. Center the Fill-in-the-Blanks piece on the cut piece of cardstock and paste. The Fill-in-the-Blanks piece will be a little longer than the cardstock. Fold along the dashed line on the Fill-in-the-Blanks Piece to make a little book. Paste half of the Word Search title to one side of the cover to create a closure. On page 2 in your binder paste the middle of the folded book to the top middle of the page about 1".

Search in the Table app to find the answers to the fill-in-the-blanks.

- Fold the Foldable Bible in half lengthwise with the printed image on the outside. Then fold in half again to form a little book. Cut a piece of red ribbon approx. 5 ½" long. Glue a small strip to the back of the Bible and place it inside to make a bookmark. Paste the back of the Bible to the right of the left binder page near the middle ring hole.
- Paste the Revelation R near the bottom right corner of page 1.
- Paste the two pieces of the Book of Revelation together by placing the bottom piece on the flap of the top piece and pasting. Fold along the solid line. Paste this below the title on the left of page 1.
- Paste the top of the Scriptures Strip below the title on the right side of the page.
- Fold a small bit of the end of the strip. Place a small amount of glue in the fold and place a toothpick inside. Allow to dry. Rolling up the strip like a scroll
- Paste the St. John the divine piece between the Book of Revelation and the Scriptures Strip. Fill in the blank.

Lesson 2:

- Cut out a 3 ¾" x 7" piece of gold cardstock and fold in half widthwise. Cut a 3 ¼" x 6 ½" piece of printer paper or white cardstock and fold in half widthwise. Glue these pieces together to form a small book. Attach to the bottom left corner of left page. Write the word "Notice" on the front.

Note: Use this book to write down Scriptures that Bro. Branham mentions during this study.

- Paste the Washed Means "Loosed" next to the Revelation R on the bottom right corner of the left page.
- Paste the Alpha and Omega next to the Word Search on the top left corner of the right page.
- For the 5 Revelation trivia fact flip cards, use scissors or X-ACTO knife to make holes where indicated. Place "Revelation" on top of the trivia facts. There is no specific order for the trivia facts. Add a craft brad through all 5 pieces to attach them together. Glue the bottom piece at an angle near the bottom left corner of the right page.
- Paste the "Set and Listen" Quote to the right of the "Notice" book on the left page.
- Paste the "Signified It By His Angel" Quote and the Brother Branham Picture and Quote together by placing the Brother Branham Picture on the back of the flap and pasting. Fold in half so the Quote is sitting on top, covering the picture. Paste the Brother Branham Picture to the right page, centered below the Alpha and Omega and the Word Search.
- Paste Bro. Branham preaching to the bottom right corner of the right page.
- Place the "Unveiling" page between the left and right pages.
