## Quote:

"You shouldn't be parading around before people with them on; I—I know that. So that way it would be, but in the...in going to bed I—I—I don't know. I'm going to have to back up on that one too. I told you I'd be honest if I didn't know. I'm not going to put my own thought about it (all right), unless you want my own thought. If you want that, I'll tell you. See? Now remember, it isn't...it—it...This—this could be a million miles wrong. I think it'd look nice to have a nightgown on. But—but if you—but if you...But that's just up to you."

## Scripture:

64-0830m

The woman shall not wear that which pertaineth unto a man, neither shall a man put on a woman's garment: for all that do so are abomination unto the LORD thy God.

Deuteronomy 22:5

PART 2

## Quote:

"What was it? God, for the faith of that woman that maybe didn't know her ABC's, yes, she knowed her ABC's, 'Always Believe Christ,' see, for that woman, poor, illiterate woman, hardly knowed where the next meal was coming from, but her sincerity to the God that she loved, could ground that plane, and hold that plane until the prayer of faith was prayed over her boy, and could take a man and move him so I couldn't go at the plane, the Spirit of God turning me around. No matter how you try to go, It turns you back. You get God in you, brother, you can't walk that other road, Something turns you around. And held that plane there for that, That is the same God that is in this building tonight. You believe it? Put on the full armor of God. You believe Him?"

### Scripture:

62-0607

For there is no respect of persons with God. Romans 2:11.

## MATERIALS NEEDED

## Sewing notions:

FABRIC SCISSORS, TAPE MEASURE, PINS, SAFETY PIN, SEAM RIPPER, SEAM GAUGE

1" Elastic

Safety pin

Fabric

## To make a fuller nightskirt:

When you are placing your front and back pattern pieces on the fold of the fabric, place them a 1/2" to 1" away from the fold instead of right against it.

Be sure you use the same distance for the front and the back pieces.

\*NOTE\* If you placed the pattern pieces 1/2" away from the fold this will give 2 extra inches of width to your skirt. If you place the pattern pieces 1" away from the fold, it will give you 4 extra inches of width, because you are adding 2 inches on both sides of the front piece and 2 inches on both sides of the back piece.
