CLASS NAME: YO-YO

Project: wooden yo-yo

Start class with a word of prayer.

SCRIPTURE

For in that he himself hath suffered being tempted, he is able to succour them that are tempted.

HEBREWS 2:18

QUOTE

“Succour means to “sympathize.” That, the reason He become this, that He might be sympathetic with you who are... have your **UPS AND DOWNS**, and your little ins and outs, and your temptations get so great you can’t hardly stand it. He knows how to sympathize with you. He sets there, to make intercession. He sets there, to love you. And though you go astray, He won’t forsake you. He will still come after you and knock at your heart. There’s not a backslider in the building but what know that God knocks at his heart daily. And He will do it as long as you’re a mortal on this earth, for He’s loved you. He redeemed you.”

Rev. William Marrion Branham 57-0825E Hebrews Chapter Two #2

QUOTE MINUTE MARKER: 40:50-41:28

MORAL PARABLE

God is there for us during our ups and downs.

3. Sand it after painting to give it a distressed appearance.

Attach the two yo-yo pieces together by sliding the dowel rod through both holes, using wood glue.

4. Cut a $\frac{1}{4}$ " wooden oak dowel 2" long.

5. Use a $\frac{3}{32}$ " spacer to keep the correct spacing for the string. (This is equivalent to a nickel and dime side by side.)

Let the glue completely dry.

6. Sand the dowel flush with side.

Apply finish. (We used mineral oil)

8.

9.

Apply pre-bought yo-yo string. Follow directions on package.

**You're
finished!
Good job!**
