

The Whole Armor of God

Figurine

Project Time: 5 minutes

In Your Kit:

- Wooden Base
- Helmet of Salvation
- Feet Shod with the Preparation of the Gospel of Peace
- Breastplate of Righteousness and Loins Girt about with Truth

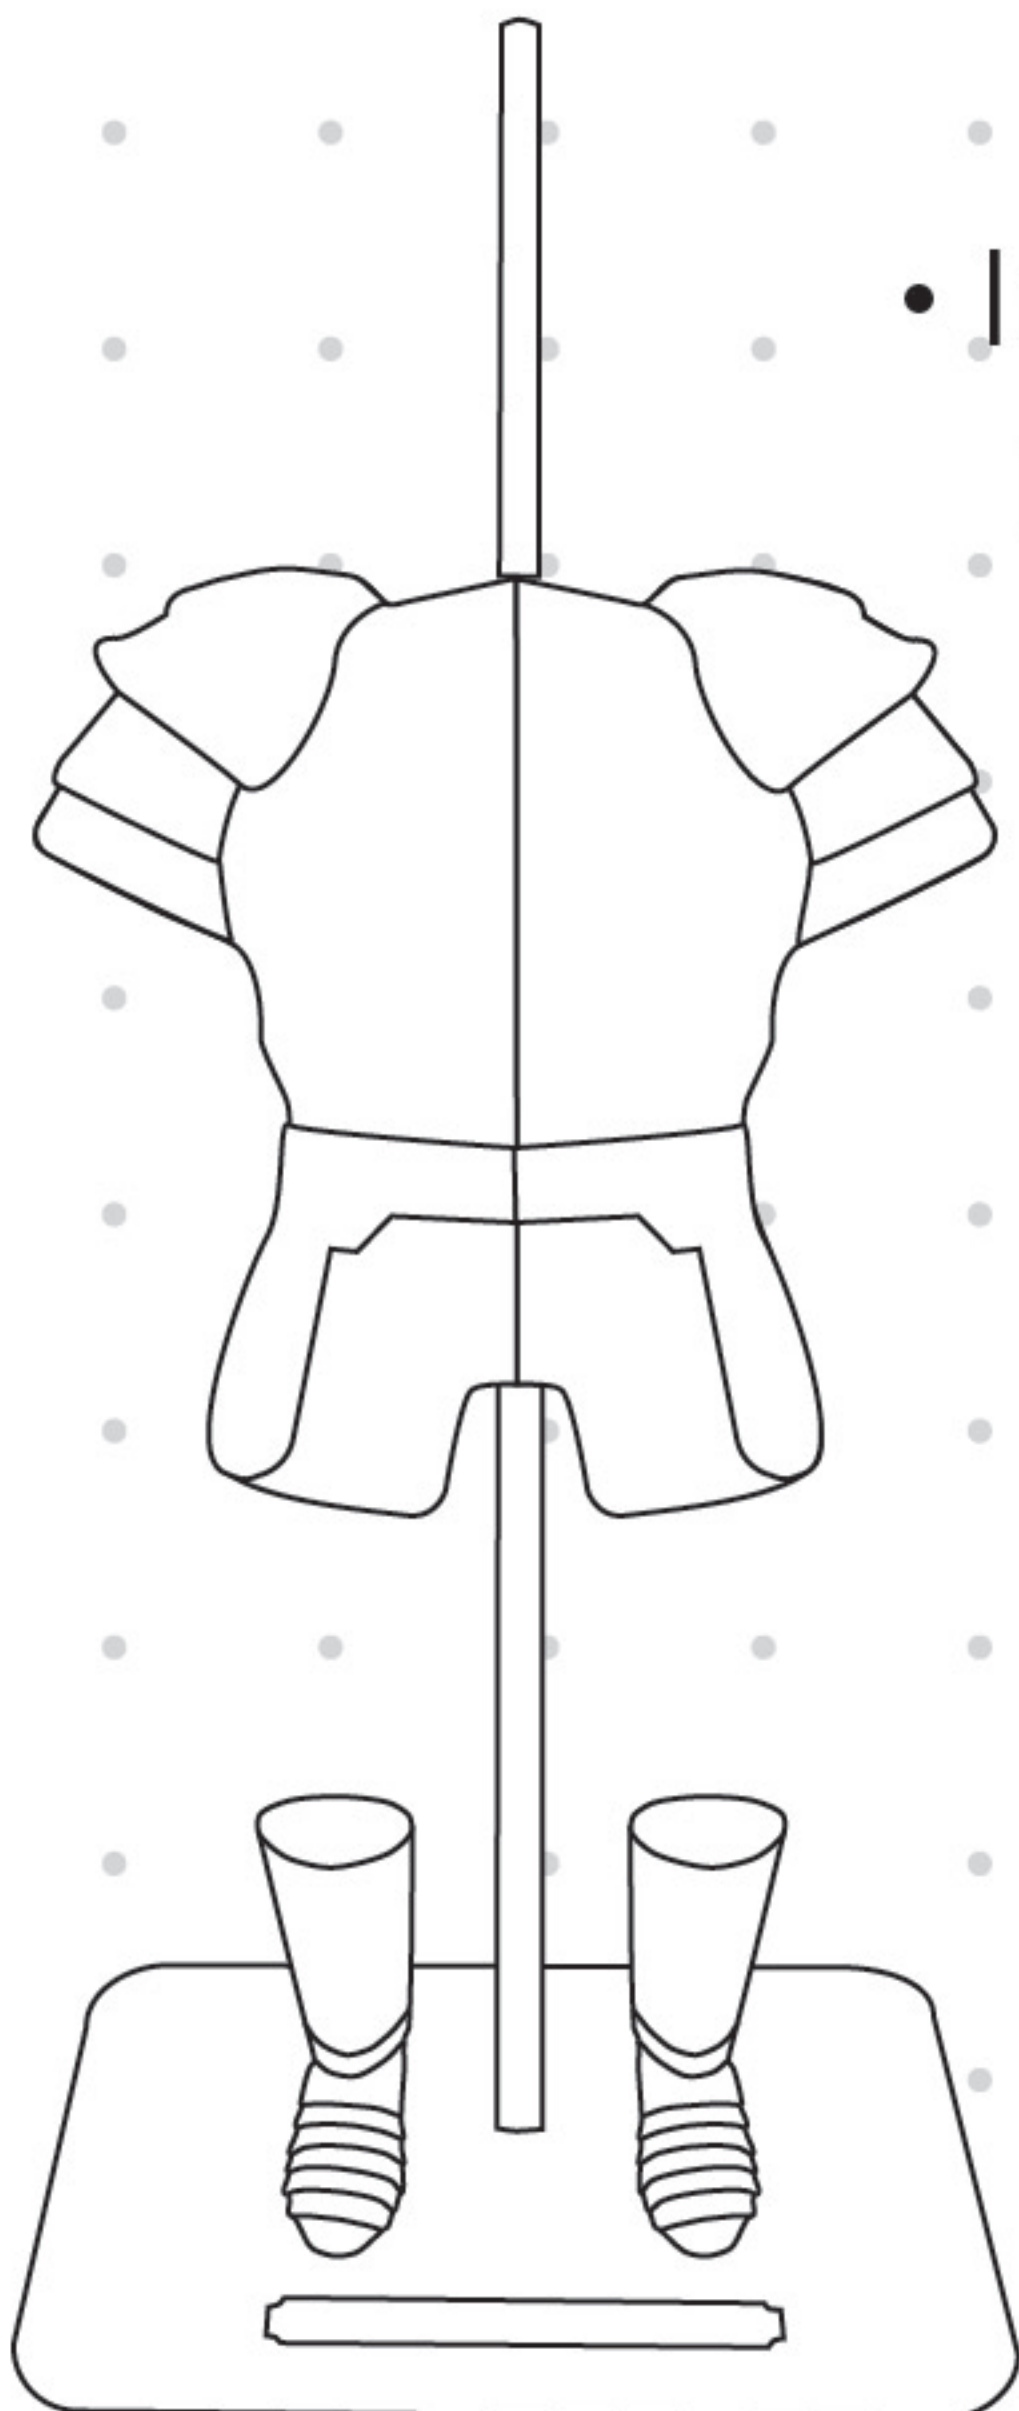

How to assemble:

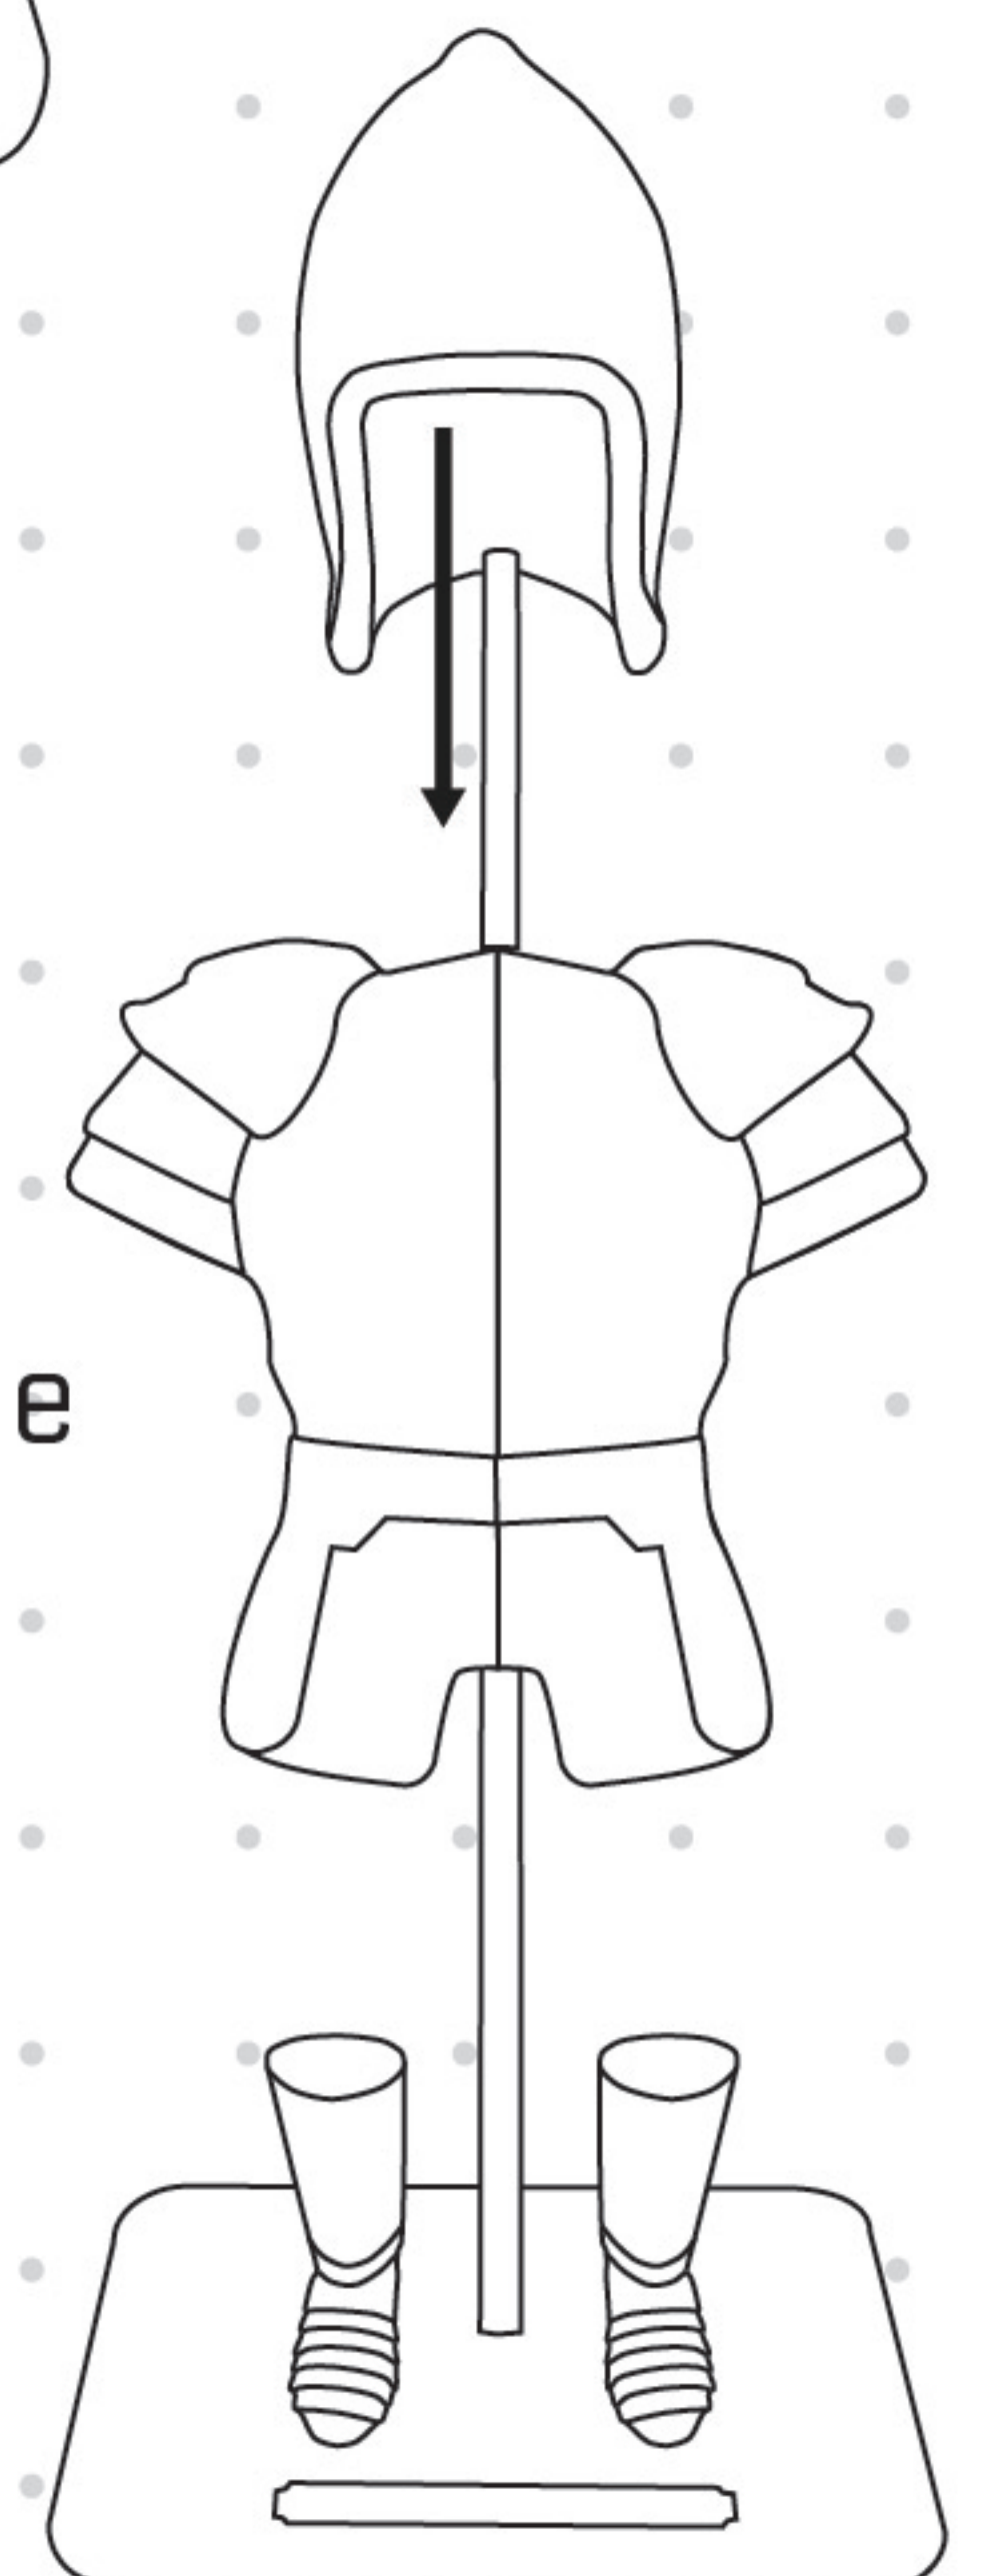

- Place the feet in the two outer holes of the wooden base. You may leave loose or use Super Glue to affix these to the base. (You will find some Super Glue in your Whole Armor of God box.)

- Insert the pole with the breastplate into the middle hole.

- Press the pole into the notch inside the helmet.
