Supplies:

Note: The number listed after each linked supply shows how many projects you can make from each item.

- 3-5 sheets [colored cardstock](#) – assorted green – Approximately 3 projects
- Elmer's craft glue
- 1 [Jumbo popsicle stick](#) – 8" x 1" – 60 projects
- Hosanna printable – cut out
- Pencil
- Scissors
- 1 [Adhesive foam dot](#) – 275 projects

For a class/group setting:

- Optional – Pre-cut the Hosanna printable for each student.

Tips:

- You can trace your family members' hands to make your leaves different sizes.
- Alternate the colors as you paste the hands to the popsicle stick for a pretty color variation.

Steps:

1. Trace your hand on pieces of cardstock and cut out. You will need 5 different cutouts.
2. Use craft glue to paste one hand cutout at the top of the popsicle stick. Paste remaining hands to left and right of the popsicle stick.
3. Add foam dot to the back of the Hosanna printable, and attach to the middle of the palm.

You're finished!
