# at creations class

The students received a warm welcome back to Creations after the seasonal break. Then they started the class off with a word of prayer.

The word “*essential*” was used many times throughout the class. “It is *essential* to have a pot holder when getting a hot pan out of the oven.” Or, “It is *essential* to have every Word of God in our life.”

Then the class talked about serving, whether with food or simply doing something for another person. We cannot love God until we love each other. They were encouraged to apply all the Word to their lives by praying and reading their Bible every day.

The girls jumped into making their pot holders, with the thought of serving others in mind.

# CLASS NAME: *Pot Holder*

## Scripture:

But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God

**Matthew 4:4**

## Lesson:

There are many things in the Word that can be related to using a pot holder. Such as, it is necessary to use a pot holder to not get burned when you take something out of the oven. Likewise, we used God's Word to protect us from getting "burned" by the things of the world. We walk daily by His protection of grace and the sweet Holy Spirit.

We use a pot holder every day when handling hot items in the kitchen. Also, we must use and apply the Word every day to protect us and keep us. If we are reading our Bibles, praying, and listening to tapes daily, then we are under that protection.

When we are under the protection of His Almighty Wings, we have no worries.

**essential:** of the utmost importance, indispensable, necessary, vital

## Quote:

"... But it isn't so with our King! Oh, the least little thing we do, He sees it. And He knows the very things and thoughts that's in our hearts, whatever we do, what little it is. And how do we serve Him? As we serve each other. If I don't love you, how can I love Him? See?

"Inasmuch as you've done unto these My little ones, you have done it unto Me." See?

It's the--it's the little things that we leave undone, sometime, that breaks the whole chain, you see, and lets us go free, just denominational-minded, and forget about these little things that really are the--the essential things.

Everything, every Word of God, is essential. None of It can be left out.

We've got to take every Word of It, just the way It was wrote."
