CLASS NAME: Labyrinth

Start class with a word of prayer.

SCRIPTURE

Thy word is a lamp unto my feet, and a light unto my path.

PSALM 119:105

QUOTE

The Word is Light when It's vindicated. Until the Word, it promised for the day, is a vindicated, then it is not Light. It cannot be. If God said, "Let there be light," and no sun come in existence, there is no sign of light. But when God said, "Let there be light," and there was light. When God promised a Messiah, Messiah come, then His Word was fulfilled and He was the Light of the hour. When He promised Noah, and He promised the others, and on down, they was the light of the hour.

And there is a Light of the hour today, that's Jesus Christ in the power of His resurrection, His Word that's promised for this day.

④

1. Trace/draw a design of the labyrinth onto the base. You can use the design we have in this tutorial or create your own.

2. Glue and pin nail the border pieces around the base.

3. Measure, cut, glue, and pin nail the maze pieces on the lines of your design.

4. Use a ½" forstner bit to drill out the trap holes for your maze. Be careful not to drill through the base.

5. Sand the entire project and apply finish.

You're finished!
