Paint & Paint Brushes
Stencils

INTRO AND CLASS SUMMARY

1. Gather Students And Begin In Prayer

2. Read And Discuss Quotes:

“And was so low till the littlest man in the city had to look down upon Him, Zacchaeus, and then died for man’s sins, come in the way of a stable, poor. The richest (Oh, I hope you get it.) the richest become the poorest. Even on a stormy night, said, “The birds have nests, and the foxes has holes, but I don’t even have a place to lay My head.” The highest that all heavens had heard, become the lowest of all lows, even to the animal life, was privileged to Him, above Him; as far as comforts of life. Not only that, but in His death, He suffered a death like no one ever suffered. Never any man ever suffered with such a broken heart till His Blood and water separated before His death.”

56-0610

“And it came to pass, that, as they went in the way, a certain man said unto him, Lord, I will follow thee whithersoever thou goest. And Jesus said unto him, Foxes have holes, and birds of the air have nests; but the Son of man hath not where to lay his head.”

LUKE 9-58

3. Class Summary:

We will be building a bird house from a kit that little birds can live in. Remember that Jesus was so humble and low that He didn’t have a place to live. We can create a house for the Lord Jesus in our hearts, and the dove of the Holy Ghost will live there and have a place of rest.

4. Go Over Shop Rules And Safety

BUILDING THE BIRDHOUSE

- 1 Remove kit from box and lay out materials.**
- 2 Attach all the pieces using wood glue, and then use the nails that come with the kit to nail the pieces together.**
- 3 Fill in holes with wood filler.**
- 4 Stain or paint your birdhouses according to desired pattern and color.**
- 5 (Optional) Time permitting, the kids can customize their birdhouses using stencils to paint in their initials, VGR/YF/CC logos, Scriptures Verses, etc.**
